  Absent: ViA
- Introduction and Agenda
- Short briefing from the coordinator concerning the financial documentation of the project.
- All partners agreed to the video-recording of the meeting.

- The Technical Report Form alongside the Table of Achieved Results will be shared with the partners via Google Drive so that all partners can contribute.
- All partners should try to fill in this **online** document: "7. REPORTS – FINANCIAL REPORTING - 2019_-_annex_vi_-_financial_statements (2).xlsm". If that is not possible they can try asking for access from a different email, or lastly they can download the file and fill it in.

Workplan Discussion

Work Package 2: Curriculum Development

- Discussion on the progress of the curriculum development – Commentary from VGTU, LIEPU, IPVC
- It has been decided that the curriculum should be adapted to the needs of the Uzbek market. For that reason LIEPU will create a questionnaire for the Uzbek partners, which will be delivered by the 15th of July. The Uzbek partners will answer the questionnaires and proved the European partners with the necessary feedback. The possibility of a meeting on the 21st of July was discussed.
- AndMI is to send the necessary accreditation law documents to LIEPU so that they can create a set of directives.

Work Package 3: Development of the new training courses and organising trainings for UZB teachers,staff and engineers

- LIEPU will provide FPI with videos created for this WP for dissemination.
- In the context of WP3 LIEPU has had consulting discussions with IHU.

Work Package 6: Dissemination and Exploitation

- Discussion on the dissemination list created – FPI asks for more involvement from partners.
- TTPU will provide info regarding the equipment.
- FPI will include WP6 future activities in the Table of Achieved Results

Further Discussion:

- Information from IPVC about a new European Program. Once the online platform is ready, IPVC will provide more information.
